Center for Security, Theory and Algorithmic Research

Nov 02, 2022

https://cstar.iiit.ac.in/

People @ CSTAR

Ankit Gangwal

Assistant Professor
Blockchain, Cryptography, Privacy, Security

Ashok Kumar Das

Associate Professor
Cryptography, Network Security, Internet of Things (IoT), Cyber-Physical Systems (CPS), Blockchain, AI/ML security

Girish Varma

Assistant Professor
Complexity, Algorithms, Machine Learning

Kannan Srinathan

Assistant Professor
Cryptography, security

Kishore Kothapalli

Professor
Parallel computing, distributed algorithms

Pawan Kumar

Assistant Professor
Numerical Algorithms; parallel and distributed computing

Shatrunjay Rawat

Systems Associate Professor
Computer networks, information security, network forensics, e-governance

Suryajith Chillara

Assistant Professor
Computational Complexity Theory, Algorithmic Coding Theory

Research areas

Multi, inter-disciplinary
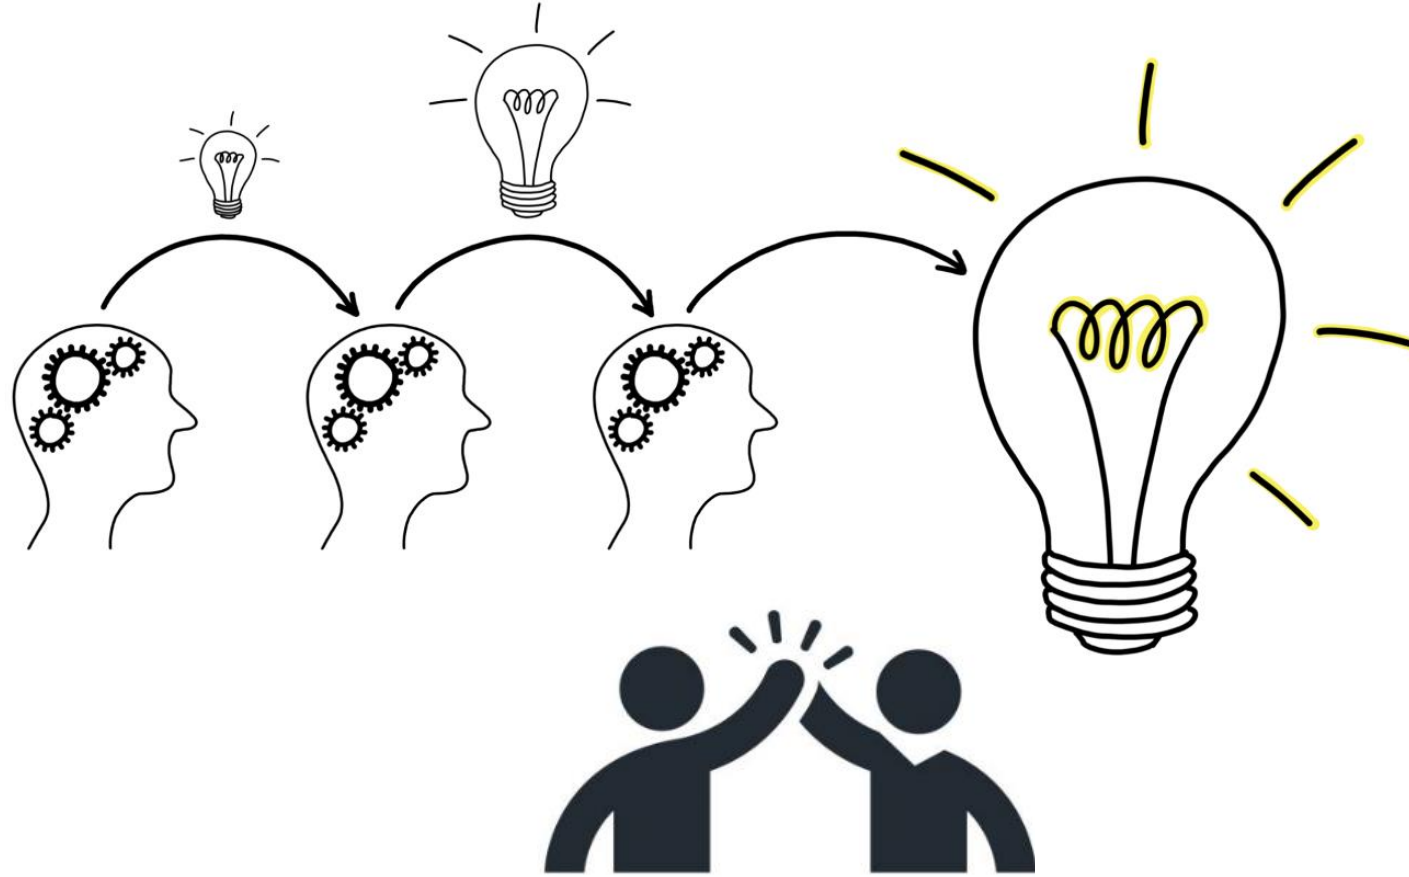

Research areas

Research areas

Research areas
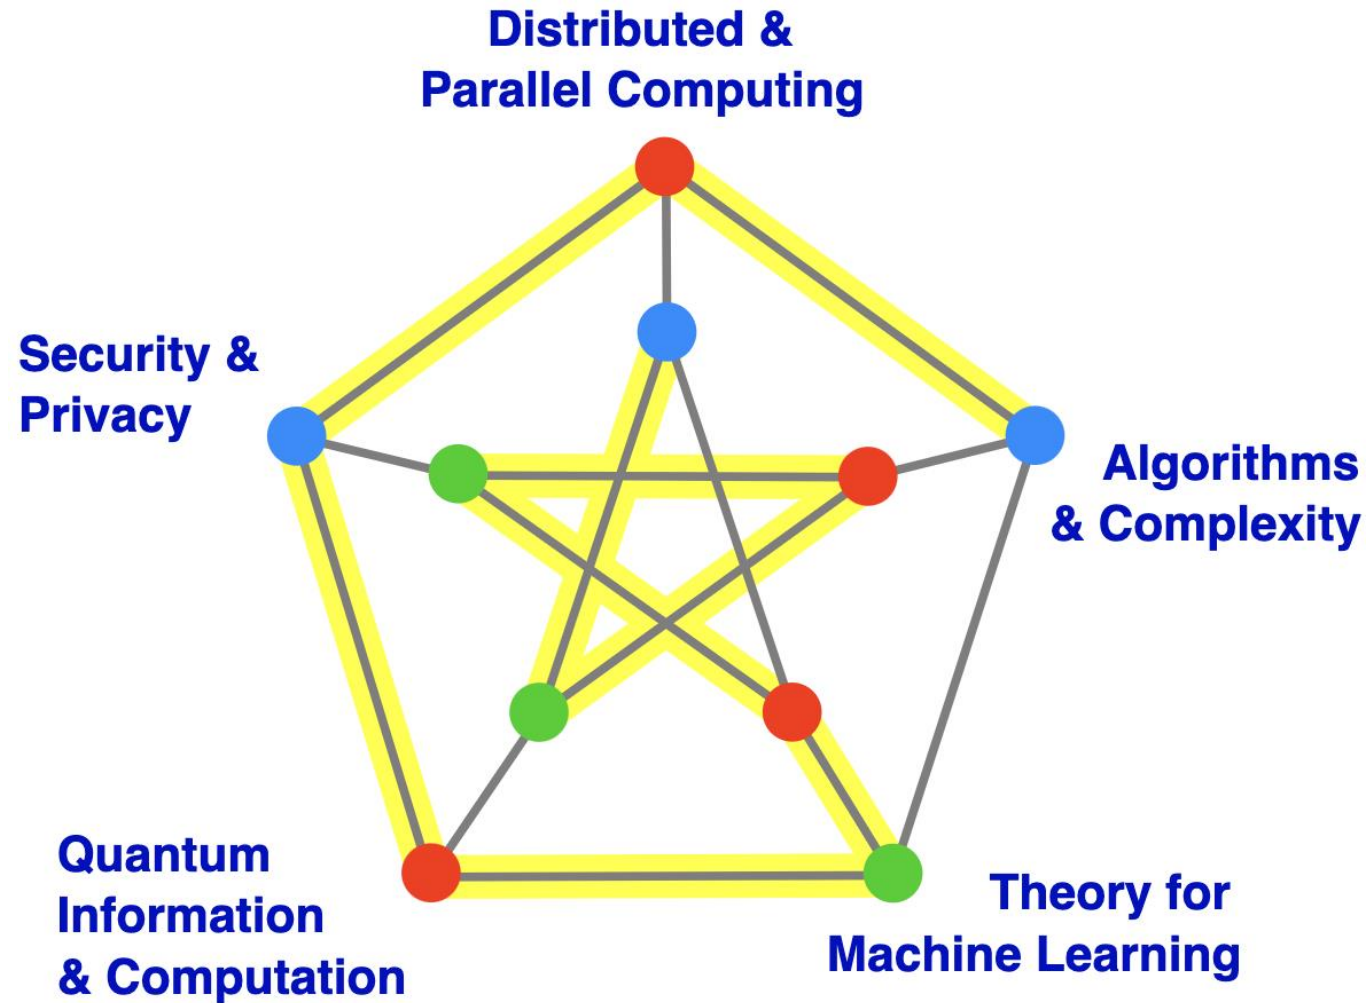

CSTAR logo depicts a Peterson Graph, with a 3-coloring and a Hamiltonian path

Teamwork + interesting ideas = 🎉

Thank You.

WE WANT YOU!
(IF YOU ARE AWESOME)
